

Susan Glaspell

The Visioning, A Novel

The Visioning, Susan Glaspell's second novel, tells about Katie Jones, a young woman who lives in the comfortable world she knows with a charming circle of friends. Her brother is an army officer, and her uncle lives in Washington. The world she knows is the world they let her see. Until Anne comes into the picture. Katie saves Anne from killing herself. Katie invents a story about Anne, a story which suits Katie's world, but what would she do, and feel, when she discovers the truth? The story focuses around Katie's eye opening experiences and her search for place and meaning in the new world she slowly discovers. Glaspell's usual charm and witty observation, this book is a wonderful read. It could also be of interest to fans of Virginia Woolf's "Night And Day." - Summary by Stav Nisser

Read by Sheila; rmcardle9479; Jeremiah Sutherland; Lynne Thompson; Roxanne Weber; Mike Pelton . Total running time: 11:11:45
